TO AVOID ANY DISTRACTIONS

Please be sure all cell phones and pagers are turned off before service. We ask that there be no moving around during the service. Also, parents with young children are asked to sit in the back of the sanctuary. If, for any reason, you must leave the sanctuary during service, you will not be permitted to return to your original seat; an usher will find one for you. There is a mother's room available for nursing mothers only. Thank you for your cooperation.
